HOW TO PAY

TOTAL £

Please write your name, address and all other details, clearly in **CAPITAL LETTERS** when you send your order, for UK customers, prices and postage charges are as shown on the website price list. For payment by cheque or Postal Orders, these must be made payable to '**R. Whitmarsh**' and not to 'Kingston Mouldings'. For customers outside the UK, cheques written in English Pounds Sterling, and payable through a UK bank can be obtained from most banks in your own country. You should ask for an International Draft, and the address of a UK bank will be printed on the cheque. Because the different hulls vary considerably in size, weight and the packaging needed, the amounts listed for postage costs on overseas orders can only be approximate, so it's always best to send me an e-mail enquiry first to check on the total cost, including the correct amount for postage.

CREDIT CARD PAYMENTS

All customers can also pay by credit card, and these payments are processed through [PayPal](#). UK customers can find hull prices and postage charges on the website price list, so you can carry out the whole payment process yourself by clicking on the link and following the instructions to pay using the sales@kingstonmouldings.com e-mail address, though you can also get me to do it for you if that's easier. I ask them to e-mail you a simple form requesting payment, you complete this with your credit card details, e-mail it back to them, and that's all there is to it, they e-mail me immediately to tell me the payment has been made. If you've bought or sold anything on eBay, you've probably dealt with [PayPal](#) before. I've been using them for years and have never had any problems, it's one of the most secure payment methods I know, and it's also one of the cheapest, there's no extra charge to you, and I pay all their commission fees. Because overseas postage charges are more variable, customers should ask for a price quote first, then they can either carry out the transaction themselves, or ask me to send them a [PayPal](#) payment request.

If you have any questions about ordering, postage costs, or need more information on anything on the website, just send an **e-mail**, I'm always happy to help in any way I can.
